The poster features a stylized golf course with a green fairway, a dark green putting green, and a red flag on a white pole. The background is a light blue sky with silhouettes of trees. The text is centered and reads: "TD PRESENTS THE FOURTH ANNUAL ARIRANG GOLF CLASSIC CHARITY GOLF TOURNAMENT". At the bottom, there is a dark green banner with white text providing event details and contact information.

\$600 for Twosome & Dinner  
\$1100 for Foursome & Dinner
- **DINNER & AWARD : 6PM**  
\$100 per person for non golfer

## GREETINGS FROM THE AAFCC BOARD!

**Doh Hun**  
**Donald Kim**  
**Chair of AAFCC**

It has been a year since the Arirang Korean Long-Term Care was successfully acquired from the receivership in June of 2023. With ever increasing Korean senior population in GTA, our mission of providing culturally and linguistically appropriate health and wellness programs, home support, and long-term care for Korean seniors and their caregivers in Ontario has become immensely important. We run into many families on a daily basis struggling to look after their frail loved ones with recurrent falls and dementia.

The LTC had been operated over 10 years under the receivership thru a guidance of our capable administrator, Helen Jung. Now, it is managed by the Universal Care company along with Helen.

We just held donors recognition ceremony on June 15th at the AKLTC and held a donor wall plaque unveiling event with many donors and dignitaries attending. The donor wall plaque is installed prominently on the wall adjacent to the main entrance door to LTC.

The main floor auditorium was named "Donald Choi Auditorium", Residents' 4th Floor was named "Jung-Hwa Shin Floor", 5th "Andrew Chung Floor", 6th "Sang Hoon Hahn Floor" to commemorate the significant donations from these individuals. We also installed a large computer screen on the wall of the waiting area showing the names of many donors, introduction of AAFCC, AKLTC, and other programs and events.

We continue to run 2 days a week adult day care program in conjunction with CHATS and Milal Church. This program needs to grow exponentially to meet the need of the Korean community. We have only 30 spots and over 60 clients are on our waiting list. We need to establish similar programs in the west, central, and north GTA. To be able to achieve this, we need to lobby Ontario government and cooperation of many organizations such as community churches.

We will be hosting our 4th annual fundraising charity golf event on Aug 24th with assistance from the Korean Canadian Athletic Association team. This has been a very successful event over the last 4 years attended by many 1.5 and 2nd generation Korean Canadians. We look forward to reconnecting with many other charitable organizations in GTA at the event.

Compared to AAFCC board before and after the acquisition of AKLTC, the roles and responsibilities have significantly increased. The board has been diligently working and learning the intricacies of operating a LTC.

AAFCC has been in existence now for 10 years thanks largely to a group of dedicated volunteer professionals. We have achieved many of our objectives entirely thru volunteer spirit of many colleagues. However, it has become apparent that we need to formalize the organization and the governance structure to move on to a next step. We will be embarking on this task over the next 6 months.

AAFCC has also formed a committee to build our second Arirang Korean LTC in GTA. The current AKLTC has only 60 beds. There are about 250 people on our waiting list and the wait time is about 5 years. Many Korean seniors are placed in the non-Korean LTCs as a result.

The committee is chaired by Dae Kang. We envision to build approximately 150 beds LTC in the next 5 years and started some preliminary discussions with the government, donors, and organizations. We are confident that the Korean Canadians in GTA can successfully meet this challenge based upon their commitment, dedication, affection shown during the previous fundraising campaign efforts to acquire the Arirang Korean LTC.

AAFCC board firmly believes that the ownership of AKLTC belongs to the Korean community in GTA and the task of successful operation has been simply delegated to AAFCC.

Thank you for your continued support and encouragement.

## TAKING A PHOTO WITH DONORS WALL

AAFCC, which is working to establish senior care services in the Korean community, is hosting the 4th Annual Charity Golf Tournament. This event aims to raise awareness about the need for senior care services for Korean seniors, such as LTC homes, Adult Day Programs, and in-home visit services, and to rally the Korean community to support these initiatives. We hope many will join us to enjoy golf and attend the post-golf dinner event, creating an opportunity for networking. Even those who do not participate in the golf tournament can purchase tickets separately to attend the dinner event.
